

# ACTIVITY - FOR PRETEENS

## Activity 1 (PreTeens)

Complete the following poem prayer with things you want to tell Jesus.

Dear **Jesus**, you know what it is like to be a kid, I know,

For you were once a little boy many years ago.

You worked and played and, just like me, sometimes Your knees got skinned.

You did a lot of things I do, but You never, ever sinned.

I know you want to help me, and You always understand,

So listen to **my** prayer, dear Lord, and hold me in Your hand.

Today I am feeling \_\_\_\_\_. Did you ever feel that way?

*(Happy, sad, shy, afraid, hurt, etc.)*

Help me to remember that You are with me every day.

Help me be \_\_\_\_\_ with **my** mom and dad.

*(Kind, patient, obedient, loving, etc.)*

I know when I disobey, it always makes You sad.

When I am tempted to \_\_\_\_\_, help me to just say

“No!”

Instead of giving in, help me to turn away and go.

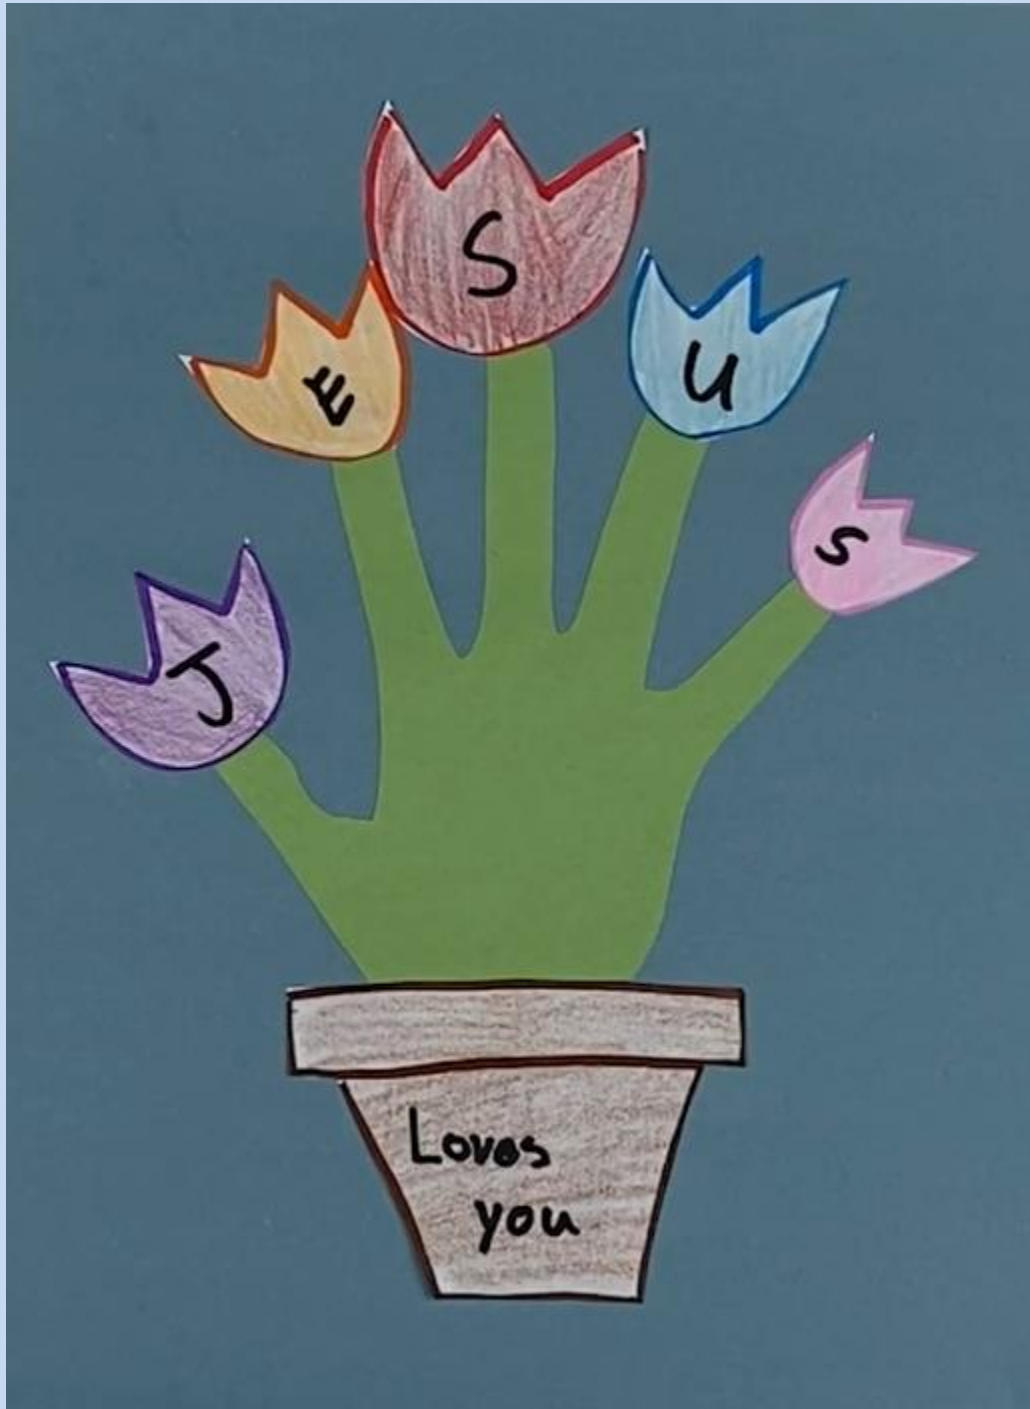

I guess that is all for now, dear Lord. Thank you for being there.

It makes each day exciting just to know You care.
