**Theme-** Jesus is my **SUPERHERO!!!**

#### Bible verse

**Mark 10:27** "With man this is impossible, but not with God; all things are possible with God!!!

#### Story time

It was a beautiful evening with heavy rain outside. Jane was watching TV when she heard few voices in the main hall and suddenly walked towards the room. There she could see Philip uncle, Salomi aunty, Peter Uncle, Mini aunty and their kids all wearing masks. Jane went to grandma and asked,

**Jane:** What happened, Grandma? Is it all okay here?

Grandma replied!

**Grandma:** No, dear. Not okay. Our Mathew uncle, Lissy aunty and both kids Danny & Mathew all are tested Covid positive. They have to be in quarantine. Jane was shocked to hear this because she remembered the news flashing on TV explaining the new variant of the Corona virus, which is more dangerous and severe.

Jane asked Grandma

**Jane:** What do we do now? Are we going to take them to the hospital?

**Grandma:** Yes, we did. Now, they are under the medication of Dr John. He has visited them a couple of times now. Apart from that, we also have planned to start a Family group chain prayer with fasting.

# WALKIE TALKIE

**Jane:** But, Grandma all these prayers won't help. It seems like we should call Superheroes to save the family from Covid.

**Grandma:** Superheroes?

**Jane:** Yes, we should call all superheroes like.... Superman, Spiderman, Batman and Ironman to come and help Mathew Uncle Lissy aunty family. They will fight the virus and save them.

Listening to this Grandma smiled. She kissed on Jane's forehead and replied,

**Grandma:** I don't know all these superheroes who fight and solves problems. My Superhero is always my JESUS, who solves all problems with his LOVE. I promise you, start loving him and start calling him whenever you have a problem. He will soon come to save and protect you.

Honey, do you know the verse Mark 10.27 – With God all things are possible. He can do wonders, we only need to sit offer all our prayers to him. Rest he will take care.

**Jane:** But how is this possible Grandma?

**Grandma:** Wait let me open the bible for you and read few marvelous miracles of our God Almighty. From these stories, you will understand why Jesus is my all-time SUPERHERO.

Grandma opens the bible and asks Jane to read **Mark 1: 40 -45** where Jesus heals the leper.

## Saint of The Day

### Saint Joseph of Cupertino – Saint who levitates.

Saint Joseph of Cupertino is the patron saint of air travelers and pilots because he had the ability to levitate and fly through the air.

He was born in 1603 to a desperately poor family who had just lost their home and their sole provider. His mother was a widow at the time of his birth. She also had a quick temper and was prone to angry outbursts. It would be very safe to say that Saint Joseph of

Cupertino had a miserable childhood. It didn't help that he was a very poor student, and the people of his village considered him retarded.

He did have a great love of God and desired to enter religious life as soon as he was old enough. Rejection was swift at the first two communities he approached. The third, however, accepted him. He was able to complete his studies for the priesthood.

Saint Joseph of Cupertino often levitated as he was saying Mass. These flights above the altar were witnessed by many of the Mass-goers. Sometimes he would also fly around outside.

The gift of levitation in the Catholic Church is generally considered a sign of sanctity. Many other canonized saints were also able to do this.

Saint Joseph of Cupertino is, however, among the first to come to mind when Catholics think of levitation. He is often depicted hovering above an altar.

It has been recorded that this saint would fly dangerously close to candles without the cloth of his religious habit catching fire.

When Saint Joseph of Cupertino journeyed with his religious superior to visit Pope Urban, he, once again, flew into the air and stayed there until his superior ordered him down. Another sign of sanctity for someone in religious life is to obey their superior.
